Boston Pizza. Order online at healthyhunger.ca
- **SAVE THE DATE** November 29
Festival of Trees Performance
- **SCHOOL PICTURES** Nov. 7

After School Activities

Watch for updates

This month in our school

Our thanks to all of you who popped in to Meet the Teacher Night. Wonderful chats happened and very positive feedback on the first few days of school and on the school itself. The main floor was painted, hallways and classrooms to match upstairs. So much brighter and fresher. The children love the colors. All of the children and students are settling nicely into the school routine. The flow is happening. One of our values is school cohesiveness. We will be starting school assemblies on Friday, October 4 at 2:15. A different class is in charge of the entertainment for each assembly. We would love to have you join us for as many as you can possibly attend. The Kinders are in charge for October. I have attached the schedule to my email for your reference.

I know it seems very far off, but we will begin our preparation for our Festival of Trees performance and our Christmas musical. The musical involves all students from Pre-School to Grade 7. Tentatively save December 19 as performance evening. We will update you once the venue is booked.

Hallowe'en is here this month. Children are welcome to wear their costumes on the 31. Please no violent weapons or gory masks. Your child's teacher will share plans before then. We wish all of you a very Happy Thanksgiving.
